

56933 Taxi Licensing Prosecutions

I would like to obtain data regarding taxi licensing prosecutions within your local authority.

Please could you provide me with the following data:

The number of prosecutions initiated.

- The type of offense (e.g., illegal plying for hire, driving without a license, vehicle defects, etc.).
- The outcome of each prosecution (e.g., conviction, fine, license suspension, license revocation).
- The number of licenses suspended or revoked as a result of an investigation.

I would like this data for the following time periods:

- 1st January 2024 - 31st December 2024
- 1st January 2025 -31st July 2025

The Council has no requirement to record the requested information to produce a licence, and therefore we do not report on this. Please be advised that this information may be held by [Police Scotland](#).
