

56948 Garden Waste Collections - Belmont Gardens

Please confirm what the designated collection day for garden waste on Belmont Gardens, EH12 6JH is and whether this has been amended from the published Wednesday to a Thursday, as no Wednesday collections have taken place in 2025?

Due to on-going vehicle access issues in the whole Belmont area (Crescent, Terrace, Avenue, Gardens, Park and View) the Garden Waste Collection Supervisor requested the collection day be changed to a Thursday so that a mini collection vehicle could service this.

We have asked that the online collection information is updated as soon as possible to reflect this change and a letter sent to all affected households.
