Professional Qualifications and Previous Employment

Any information held on councillors' professional qualifications.

Any information held on councillors' previous employment or occupation prior to taking office. If recorded only in nomination papers, election statements, or registers, please provide those extracts.

Unfortunately, we are unable to provide you with the information requested because it is not held by the Council.

There is no requirement for this information to be collected.

Training and Development

A list of all training courses actually undertaken by councillors in the last three years, including:

Subject/title;

Whether mandatory or optional;

Provider (internal or external);

Delivery method (in-person, online, self-paced);

The cost to the Council (per course, per year, or per provider).

Please also include:

Attendance/uptake data (number of councillors attending each course);

Any invoices or payments made to external providers (e.g. Alcohol Focus Scotland, legal firms, Improvement Service);

Aggregated or indicative costs for internal officer-led training (staff time, facilities, IT).

Please find the attached spreadsheet which outlines all training undertaken by elected members from September 2022 – September 2025.

With regards to the questions on training providers/costs to the Council, all elected member training sessions have been run by CEC officers except for the Scottish Women's Budget training. This was provided by the Scottish Women's Budget Group, and the costs of the training were covered by the Scottish Government.

Insurance / Indemnity

The annual cost of the Council's Officials' Indemnity and related liability cover with QBE. If a councillor-specific cost is not held, please provide the total premium for the relevant policies.

Commercially sensitive information cannot be released. The Council considers that if this information was disclosed to you it would harm the provider's commercial interests by providing external providers with an unfair advantage when competing for Council contracts and work.
