

## 57276 Vehicle Glass Replacement and Recalibration Contracts

Please provide the name, job title and email address of the person(s) responsible for procurement or contracts for vehicle fleet maintenance and / or vehicle glass replacement?

Scott Millar, Fleet & Workshops Manager, [scott.millar@edinburgh.gov.uk](mailto:scott.millar@edinburgh.gov.uk).

Please can you advise the number of cars, LCV's and HGV's on your fleet?

Cars – 151

LCVs – 314

HGVs - 169

Please also provide the annual volume of glass items that you; replace or repair, and also the number of ADAS recalibrations that you undertake each year?

The average windscreen replacement of approximately 5 – 10 screens per year.

The Council has in-house software which allows it to undertake ADAS recalibrations, and therefore we do not record these figures.

Please provide the £ value that you spent on vehicle glass replacement, repair and recalibration over the past 12 months?

Glass replacement - £5,587

Glass repair – 0

Recalibration - not held.

Please can you advise when you will be looking to go to tender for vehicle glass replacement, repair and recalibration services?

We do not have any plans to tender for this service at this moment in time.
