

57326

1) The total councillor salaries for the last five financial years, and anticipated salary total to be paid for the 2025/26 financial year.

For avoidance of doubt, this should be a total figure of all the salaries of all councillors, including council leaders or provosts. It should include all remuneration. E.g. £4million. Do not break this figure down per councillor.

	£000	
2025-26	1,900	estimate
2024-25	1,731	
2023-24	1,638	
2022-23	1,568	
2021-22	1,503	
2020-21	1,455	

Councillor salary information is included in the 'Members' Salaries and Expenses' section of the Remuneration Report included in the [Council's Annual Accounts](#), which are publicly available on the Council's website.

The number of council tax payers in the council area for 2025/26. Please provide the number of households, rather than the number of individual bill payers.

The number of chargeable Council tax dwellings as of 15 September 2025, is 269,344.
