

57375 Traffic Regulations - Main Street, Balerno

I would like to see a copy of the relevant Traffic Regulation Order(s) that pertain to the current (existing) traffic regulations in Main Street, Balerno, please.

A map showing the current Traffic Regulation Order restrictions in Edinburgh can be viewed via the following link: <https://streets.appyway.com/edinburgh-city>.

Please note that the eastern section of Main Street (south of the junction with Ladycroft) is still regulated by the original TRO, a copy of which is attached.
