

57428 Craigleith Crescent - Road Works

The information I would like is:-

Craigleith Crescent

How many times in each year, in the years 2020 to 2025, has Craigleith Crescent been dug up in the stretch of road between Craigleith Drive and Ravelston Dykes?

18, as per attached report.

On each occasion what was the reason for the works?

Please refer to Column J of the attached report.

If the reason was for the purposes of supply of utilities, which utilities were these?

Please refer to Column E of the attached report.

Were there any occasions where works were required because work had been conducted defectively on previous occasions and if so on how many occasions?

No.

On each occasion what was the cost of the works to the City of Edinburgh Council?

On each occasion how much did Edinburgh council taxpayers contribute to the cost of the works?

This information is not separately recorded for each of the 18 works.

Which organisation is responsible for (i) approving the works and (ii) approving the traffic control measures?

The City of Edinburgh Council.

Was any consideration given by the Council at any point to combining the works such that the road required digging up on fewer occasions?

A coordination response was provided for these works but no opportunity for combining works was identified.

Who manages the traffic control measures when the works are carried out?

The organisation carrying out the works manage traffic control measures.
