Please provide the following recorded information for academic years 2015/16 to 2024/25 (year-to-date) for local-authority schools:

Exclusions (annual):

- Temporary/fixed-period exclusions: counts by phase (Primary/Secondary/Special) and by your reason categories (service-level totals).

[Please see the attached spreadsheet](#)

- Permanent exclusions (if applicable): counts by phase.

[The Council does not permanently exclude any pupils](#)

- Days lost to temporary exclusions (service-level totals), if routinely reported.

[Please see the attached spreadsheet](#)

Persistent exclusion measure (service-level):

- The definition/threshold you use for “persistent” exclusions (e.g., ≥3 temporary exclusions in an academic year, or your local equivalent).

[Section 4.7 of the attached procedure document explains how multiple exclusions are managed, but no threshold is applied](#)

- Annual count of pupils meeting the persistence threshold.

[We do not hold this information](#)

Managed moves (annual):

- Managed moves initiated and managed moves completed, by phase (service-level totals).

[We do not hold this information](#)

- If recorded, outcome categories (e.g., sustained placement, returned, alternative provision).

[We do not hold this information](#)

Coding and policy:

- The reason codes list/definitions used for exclusions.

[See section 3 of the specification Scottish Exchange of Data: attendance, absence and exclusions - gov.scot](#)

- Current policy/guidance on exclusions and managed moves.
