

57470 Membership and Transparency of Aesthetics Working Groups

Copies of minutes, agendas, membership lists, and correspondence for any working groups, committees, or forums convened by Edinburgh Council regarding aesthetics regulation or enforcement since January 2024.

The Council has not convened any working groups, committees, or forums regarding aesthetics regulation or enforcement. The Council therefore has no records to release.

A list of the organisations and individuals invited to participate in these groups, including whether representatives of non-medical aesthetic practitioners were invited.

Any documents setting out the criteria for membership or participation in these groups.

Any correspondence between Edinburgh Council and external bodies (such as JCCP, Save Face, BAMAN, CIEH, or professional regulators) regarding the formation or remit of these working groups.

Any internal assessments or notes regarding representation, transparency, or equality of participation in these groups.

Not applicable, as no such groups have been convened by the Council.
