

57600 Outstanding Repairs or Maintenance Issues in Schools

Please provide a list of all schools in your council area with outstanding repairs or maintenance issues, including:

- The nature of each repair (e.g. structural, roofing, electrical, moisture ingress, etc.)
- The date the issue was first identified
- Whether asbestos has been recorded on site, and any associated mitigation/management plans
- Whether RAAC (Reinforced Autoclaved Aerated Concrete) has been identified, and details of any monitoring, remediation, or risk assessments

Please supply data for the most recent academic or financial year, and broken down per school if possible.
