

57655 School Crossing Patrollers

The number of school crossing patrollers (lollipop men/ladies) in your council area at the start of each school year (August) from 2016 to 2025.

The information you have requested is available on our [Disclosure Log](#) under reference number 55523.

The number of schools in your council area from 2016 to 2025.

This information from 2016-2024 is available on [the Scottish Government website](#), and the 2025 figures are available via the [Council's website](#).

If the number of school crossing patrollers has fallen in the past decade, please provide any details on your strategy for increasing recruitment.

Recruitment techniques include contacting schools, parent councils and local Councillors with a request to highlight School Crossing Patrol vacancies in their respective areas on their social media platforms.
