

## 57659 Westfield Court Building Condition Survey

Please provide copies of internal emails, briefing notes, decision logs or minutes which record reasons for not disclosing the Westfield Court building condition survey to owners or residents at the time it was produced. The report in question was commissioned by the City of Edinburgh Council and published 02 April 2020 and has not been made publicly available to residents.

Please provide data for the range: 1 Jan 2019 – 1 Jan 2021

If any document is withheld on legal privilege, please provide a description of the document and a non-privileged summary of its contents sufficient to explain why disclosure was refused.

To respond to your request fully, we would have to evaluate around 3,000 emails to check whether they are scope. Of these emails, we would also have to check each one individually to ensure that no third-party personal data was being released. We estimate that each document will take approximately 5 minutes to prepare for release. In total, this would take 250 hours.
