

57672 Viewcraig Gardens, Viewcraig Street, and Dumbiedykes Road properties owned by council

How many properties on Viewcraig Gardens, Viewcraig Street, and Dumbiedykes Road are currently owned by the council?

But I need it broken down per tenement building in the same streets. e.g. 43 Viewcraig Gardens has x amount of council owned properties compared to x amount of properties in that building, and so on for all 3 streets.

Viewcraig Gardens – 173 properties, of which 54 are Council-owned.

Viewcraig Street – 128 properties, of which 67 are Council-owned.

Dumbiedykes Road – 121 properties, of which 76 are Council-owned.

We are unable to provide a further breakdown by building number. Given the small numbers, releasing this information into the public domain could lead to individual Council tenants in particular buildings being identified.
