

57736 Web Filtering Services in Edinburgh Schools

The nature of web filtering services provided to primary and secondary schools within Edinburgh City Council, specifically which product is used to restrict pupils' access to inappropriate websites and web content.

Specific details on software and systems used is withheld under Section 30(c) - Prejudice to effective conduct of public affairs (cyber-security).

How many schools within Edinburgh rely on a product provided by Edinburgh City Council to filter access to inappropriate websites and how many schools manage the filtering themselves.

These services are provided to all our schools, by CGI, as part of our outsourced ICT contract.

Information on the number of requests received from schools within Edinburgh to block access to websites in each of the last four academic years, commencing September 2021.

A list of the names of the websites schools have requested Edinburgh City Council block access to in each of the last four academic year commencing September 2021.

We do not hold the number of such requests received or websites involved.
