

57741 Discontinued Use of DB Effusive Care Ltd

What are the reasons for Edinburgh Health and Social Care recently discontinuing use of care company DB Effusive Care Ltd (formerly DB Quality Care Ltd) to provide personal care to elderly and disabled clients in their own homes?

Commercially sensitive information such as reasons for contract termination cannot be released. The Council's view is that disclosure of this information to the public at large is likely to substantially prejudice the commercial interests of the other party, as placing into the public domain the reasons for the termination may negatively impact their ability of them engaging in future procurement exercises.
