

57759 Workforce Data – Nationality

The nationality recorded of the local authority's workforce as of 31 March 2025.

If possible, please provide this information broken down by the roles these workers are performing (as defined by council workforce data).

Please refer to the table below which provides an alphabetical list of recorded nationalities and the distinct headcount of each. Where there are five or fewer employees in one group these are shown as '1-5'.

We are unable to provide a further breakdown of the data provided as this could lead to an individual being identified. This would be a breach of the Data Protection Act 2018.
