

## 57916 Locality Directory 2025

I am writing to ask if you could provide an up-to-date version of the Locality Directory.

The Locality Directory last updated in 2017 - <https://www.edinburghcompact.org.uk/wp-content/uploads/2014/09/Your-localities-directory.pdf> - shows exactly the information I am seeking except for it now being out of date.

The Locality directory no longer exists due to structure changes within the Council. We have instead attached the Place Directorate Extended Senior Leadership Team organisational chart. We have redacted names on this chart below director/service manager level.
