For years 2020-21, 2021-22, 2022-23, 2023-24 and 2024-25, please provide:

The total amount spent by the council on training (this can include books, seminars, training courses, etc) relating to de-escalation, conflict resolution, positive handling, or restraint techniques for school staff (including teachers, support staff, and other education employees).

If available, please include a breakdown showing:

o the type of training delivered (e.g. de-escalation, safe restraint, behaviour management)

### **CALM Core theory**

- There have been no in-person theory courses since 2019. Digital learning became the dominant method for provision of theory since the pandemic.
- The following is a report on all the myCALM digital licence provision to special education from the last 5 years. The content covers behaviours of concern, positive behavioural support and de-escalation. Please note that some licences may have been archived and are now unavailable.

### **CALM physical intervention and escapes skills learning**

The following costs attached to

- each learner in special education for their registration as 'trained' with CALM Training,
- Instructor training
- Instructor annual re-accreditations and CPD

We are unable to quantify the cost of in-house instructor's time to deliver physical skills programmes
