

## 58032 City of Edinburgh Council Budget

Please can you provide a table showing, for each financial year from 2010 to 2025, how much (£) of City of Edinburgh Council budget was subject to participatory budgeting (PB); that year's council budget, (defined as net expenditure requirement that is met other than from Council Tax); and the names of the relevant PB projects, e.g. Leith Chooses, through which that year's funding was allocated.

The information requested is attached. Please note while recent yearly figures are complete, those for earlier years predate when Councils had to report on overall PB-related activity and may therefore not capture all relevant spend.
