

58077 Low Emission Zones

How much has the Council spent on advertising and road signage for the Low Emission Zone (LEZ) to date?

The City of Edinburgh Council has aligned LEZ data collection with national reporting requirements, which do not include individual signage costs. As signage costs were not captured separately at all stages of the installation of the LEZ, we do not hold the requested information.

Please provide the total amount that the Council has collected from LEZ fines to date, broken down into a table to reflect every financial year from the LEZ's introduction to date.

Please refer to the table below.

Financial Year	Value of Penalty Charges Paid
2024/25	£1,072,862
2025/26 (To 30 th September 2025)	£619,248

Please provide the total amount of unpaid LEZ fines that are owed to the Council to date, broken down into a table to reflect every financial year from the LEZ's introduction to date.

Please refer to the table below.

Financial Year	Value of Outstanding Penalty Charges
2024/25	£1,862,400
2025/26 (To 30 th September 2025)	£1,128,540*

*This includes LEZ penalty charges that are still within statutory payment timescales.
