How many schools in your council area utilised so-called “consortia arrangements” (arrangements that enable pupils to travel to a different school for lessons that are not offered at their own school) in the academic years 2021/2022 to date.

22 of 23 secondary schools utilise consortia arrangements for 2023/24 and 2024/25.

For 2021/22, 2022/23, the information was provided in response to a previous request under reference 45341. 18 of the 23 schools responded to this request and I have extracted the following from this information.

2021/22 – 5 of 18
