

58330

The number of homes which were sold under Right to Buy rules between the beginning of the scheme in 1980 and March 31, 2025, which have since been rebought by the council (on any date to the date this request is received).

Crucially, I would ask for the following information on each home rebought under the scheme.

Address (as far as it can be shared)

Right to Buy Sale price

Sale date

Repurchase price

Repurchase date

The list of properties sold under Right to Buy which have since been re-purchased by the City of Edinburgh Council is attached.

Full postcodes have not been provided. It would not be fair, or expected, for information which relates to the residency status of an individual, to be released into the public domain.

We do not hold a list of the original purchase price.

The purchase price is available publicly on the Registers of Scotland - [Search land and property information - Registers of Scotland](#).
