

58350 All registered landlords with more than 100 properties

Can I please have a list of all registered landlords in Edinburgh who own or manage more than 100 residential properties within the council area?

The [Scottish Landlord Register](#) is available in the public realm.

In order to obtain the detailed information requested for every registered landlord in the City of Edinburgh using this on-line search system, you must input each address in that area individually. This is the only way to establish (a) which properties have a landlord associated with them and (b) the contact details for these landlords. The Landlord Registration website has been designed to ensure that searches are directed towards specific properties or landlords rather than to enable the gathering of lists of, for example;

- rental properties (associated with a registered landlord) in a given area
- details of all landlords in a given area, or
- multiple properties owned by the same landlord

The Scottish Parliament decided that access to the Landlord Register should be limited to allow interested persons to check whether a particular person is registered as a landlord, or to establish whether a landlord is registered to a particular property and to find their contact details but to prevent more general trawling of the register.

This decision is supported by the Scottish Information Commissioner as referenced in [Decision Notice 063-2011](#).
