

## 58434 Numbers and Status of Community Councils

Please could you provide:

A list of potential Community Councils within your authority and whether they are currently operating or not.

A history of the status of Community Councils that have operated within your authority for the last five (5) years. i.e. for what periods of time have they been operating or defunct.

The information is attached. Please note that the dates in the attached documents represent the Governance team's understanding of when the community council stopped being active. However, a community council may have stopped being active for a period of time before the Governance team were notified.
