Contract 1 – Wide Area Network (WAN) Services (Including HSCN)

WAN Provider(s)

Please confirm the main supplier(s) for your WAN services.

These services are provided by CGI as part of our outsourced ICT contract

Contract Expiry Date

Please provide the expiry date for each WAN contract (DD/MM/YYYY or MM/YYYY acceptable). If rolling, please state the terms.

These services are provided by CGI as part of our outsourced ICT contract which started 1/4/16, is currently due to expire on 31/3/29 but can be further extended to 31/3/35.

Contract Description

Please provide a brief summary of the scope of each WAN contract.

Number of Sites Covered

Please indicate the number of sites supported by the WAN. An approximation is acceptable.

In line with advice from the National Cyber Security Centre, we do not provide information relating to hardware, software and systems and therefore, it is not possible to provide you with the information you have requested.

By placing information about our systems into the public domain we would potentially be putting our IT framework at risk. This would prejudice substantially the Council's ability to effectively carry out its business if its IT framework were compromised as a consequence of the disclosure of this information.

Annual Average Spend

What is the annual average spend for WAN services? Please break this down by provider if more than one.

Charges are within our ICT Contract costs of circa £26m per annum. The charges are not structured in a way that we can report spending for these line items as a standalone value

Procurement Route

Please provide details of how each WAN contract was procured. If a framework was used, please include the framework name and reference number.
