

58695 Transaction Amount Paid to RingGo

Please provide a copy of the information disclosed in compliance with the Scottish Information Commissioner's Decision 007/2025 (17 January 2025), which required the Council to release:

The pence-per-transaction charge, and the percentage element of the total transaction amount paid by the Council to RingGo (or its subcontractor) in relation to parking transactions.

If the information was released privately to the original requester, please include the same material and any covering correspondence confirming the date and method of disclosure. If the Council has not yet provided the information, please treat this request as a request for those details now.

The information you have requested is available on our [Disclosure Log](#) under reference number '38010'. We have redacted service provider name, individual names and signatures from the relevant documents.
