

58736 Campus Officers

In what year did campus police begin work in the council's schools?

How many schools had a campus officer in the first year of the scheme rolling out?

The first campus police officers were deployed in Scottish schools in 2002. Therefore, we do not retain data on when they first operated in our schools.

How many schools have a campus police officer in 2025?

15.

How are campus police in the council area funded? ie by the council, Police Scotland, PEF?

These officers are not funded by the Council.

How much has been spent on campus officers in each year of campus officers operating in the council area from 2015 to 2025?

Zero.

How does the council evaluate the success of campus officers?

We do not record any information in scope of this part of your request.
