

58810 Sciennes Primary School

I would be grateful if you could share information on the following:

All school building condition surveys and reports in the last 5 years for Sciennes Primary School.

Please refer to the attached reports which are the last two sets of our Quinquennial condition surveys for Sciennes Primary School. Please be advised that these are non-obtrusive surveys carried out from ground level and costs are indicative high-level estimates which should be tested against market before budgeting for any proposals based on these findings.

The planned schedule of maintenance for the next 3 years for Sciennes Primary School.

Please refer to the attached PPM plan for Sciennes Primary, "subject to any asset variations".

Third party personal information has been redacted from the documents provided in compliance with the Data Protection Act 2018.
