

## 58811 Waste Partnership Details

Please may you provide the details of whom you contract to collect waste. This includes, but is not limited to, household waste (recycling, general waste, etc...) and commercial waste collected from businesses)

Apart from a small amount of garden waste, none of the Council's waste is collected by third parties. Garden waste collection for a specific area of Edinburgh is carried out by a charitable organisation known as Tiphereth Ltd on behalf of the Council. This is a standing arrangement that predates the Council collecting household garden waste.

Please provide the commercial partners you currently use, with their registered addresses.

Tiphereth Ltd's [registered address](#) can be found on their website.

Please provide the commercial partners you have historically used, with their registered addresses. This data should begin in 2021 and finalise at the most recent period.

Not applicable.

Please provide the commercial partners who currently operate the recycling centres across the borough - again, with their registered addresses.

All our Household Waste and Recycling Centres are managed and operated internally by the Council.

Please inform me of any changes to partners in any part of the waste process in the previous year.
