

58848 Cemetery tour guide scheme

I am submitting an FOI request for records held under the Cemetery Tour Guide Operator Registration Scheme, including but not limited to:

Operator / organisation name, Type of operator (individual / company, if recorded), Date of application. Cemeteries covered by the registration (if recorded), Conditions placed on the registration or any notes recorded by the Council.

To be clear, I'm looking to ascertain the increase/number of Harry Potter tours in Edinburgh compared with other types of tours (history etc.).

We have provided a list of cemetery tour guide registrations received by the Council as of 26/11/2025.

Please note the Council does not hold any information on the types of tours carried out by registered operators, such as 'Harry Potter tours'.

The [list of cemeteries](#) every registered tour guide is allowed to carry out tours at can be found on our website. All tour guides must comply with the [Cemetery Tour Guide Operator Code of Conduct](#) and Council guidance on [Cemetery Tour Guide Donation Scheme](#).

Where there is an empty entry within column E of the attached document, we have redacted the names of individual sole traders.
