

58865 Contaminated Land - Moredun Park View

We are wondering if you could please search your records and provide any environmental information you may hold in relation to the site or in the immediate vicinity. Specifically, we are wondering if you could give confirmation or further information on the following:

Are any sites within a 250m radius registered as Contaminated Land under Part IIA of the Environmental Protection Act 1990?

We do not have any sites that are registered as Contaminated Land under Part IIA of the Environmental Protection Act 1990.

Has the site ever been inspected or prioritised for inspection under the Council's Contaminated Land Strategy?

We do not have any sites that are registered as Contaminated Land under Part IIA of the Environmental Protection Act 1990, but a portion of the site has been identified as potentially contaminated land.

Do you have records of any previous site investigations undertaken within the site or within 100m radius including any remedial works that may have been required?

We do not have any sites that are registered as Contaminated Land under Part IIA of the Environmental Protection Act 1990, but the following site is listed as potentially contaminated land:

- Ferniehill Quarry West. Location: 329,107.907 669,233.257 Meters

Are you aware of any private groundwater abstractions within a 250m radius?

We have no record of any private water supplies within 250m of the site. The Scottish Environment Protection Agency (SEPA) maintains records of private water supplies for abstraction rates above 10 m³/day. SEPA can be contacted at:
