

58882 Early Years Qualification Requirements

I would like information on CEC policy which requires an Early Years Office Post applicant to hold a SVQ3 at SCQF Level 7, or the HNC Childhood Practice at Level 7 as a prerequisite of employment, while no other experience or qualifications (even at a higher level) can be considered as an alternative, if applying for such a post.

Please refer to the [City of Edinburgh Council's Recruitment and Selection Policy](#), published on our website at:

Early Years follow the attached HR Person Specification guidance for including relevant qualifications for a job role.
