

58924 HMO Register

Under the Freedom of Information Act, I would like to request your HMO register in csv or an Excel readable format, including the following fields if they are held:

Type of licence

HMO address

Name of licence holder

Address of licence holder

Name of person managing

Address of manager

Licence commencement date

Maximum number of persons in the HMO

Number of rooms (total)

Number of rooms (various – e.g. living room, bedrooms, kitchens, bathrooms etc.)

In addition, I would like to request the total number of new HMO applications approved by year.

And the total number of actively licensed properties on the register, by year.

Most of the information you have requested is available on our [HMO register](#). You can refer to the [Scottish landlord register](#) for addresses of individual landlords.

The HMO licence register provides data on numbers of bedrooms in HMO properties. Please note we are unable to provide data regarding the breakdown of rooms in HMO properties as this is not recorded centrally by the Council.
