

58936 FPNs and Mistaken Identity

Could you please confirm how many cases of mistaken identity/false representation in relation to fixed penalty fines the council has investigated over the past five years? (2020 - 2025, inclusive).

Could you please break this figure down year by year?

Could you please also specify how many/what percentage of the claims in each year have been resolved and been found to be fraudulent?

If possible, could you also please provide any data on the cost of these investigations?

[There have been no investigations of this nature within the requested timeframe.](#)
