

## 59086 Graffiti Removal

Number of recorded graffiti incidents for each of those same years.

2020/21 – 1,260

2021/22 – 1,165

2022/23 - 996

2023/24 – 1,093

2024/25 – 1,606

Annual expenditure specifically attributable to graffiti removal (or graffiti-related vandalism removal) for each of the last five financial years (or the most recent years held).

Whether graffiti removal is separately budgeted/recorded or included within a broader street-cleansing/environmental maintenance contract.

Any trend data or commentary indicating whether expenditure is rising, falling, or broadly consistent. If exact figures are not held, estimates or the closest available equivalent data would be greatly appreciated.

The costs for graffiti removal are contained within a wider budget and are not broken down to this granular level.
