Hi Lindsey

Have just been told that Cunningham Square was not part of what was to be adopted for ED/16/0028. The wrong plan was supplied by the developers for that certificate. Cunningham Square is apparently to be adopted at a later date.

Regards
Eileen

Hi Lindsay

Just a wee update re reissue of adoption certificate for the above (Baileyfield area)– Davie in the RCC team has been in touch with the developers about this & they are going to get updated plans to him so that he can send out a new certificate.

Eileen
