

59136 Parking Statistics

What is the name of the company/supplier who provide the Council's current cashless parking system?

The on-street cashless parking provision in Edinburgh is made available by RingGo.

What date did the current cashless parking contract start?

The Council does not have a direct contract with the RingGo service provider as cashless parking provision is part of the Council's wider decriminalised parking contract, which was recently awarded in July 2025.

When date does the current contract end? (including any potential extensions).

The decriminalised parking contract runs until July 2030 but may be extended by up to a further five years.

For cashless parking does the supplier or the Council act as the Merchant Acquiring provider?

The supplier is responsible for these services.

Does the Council have Pay & Display (P&D) machines in operation? If yes – how many machines are in situ?
