

59463 Paid Leave

Please provide the following information in relation to your organisation:

The number of members of staff who have been on fully paid leave for a period exceeding nine (9) months, excluding any leave taken for reasons of sickness, as of the date of this request (30/12/2025).

Eight members of staff have been on paid leave for a period exceeding nine months as of 30/12/2025.

For the last five (5) years, the five longest durations of fully paid leave, excluding sickness, expressed in months or days.

Given the small number of employees involved in each year, in compliance with the Data Protection Act 2018, we cannot provide this information.

In the tables below, I have provided the top five reasons recorded for full-pay absence in each of the years requested, starting with the most common reason; ending with the least.
