

59524 Lauriston Castle Trust - Governance Structure

Please let me know the current Lauriston Castle Trust (not the Charities) governance structure.

The Council is the sole trustee of Lauriston Castle Trust. The Council delegates the practical function of administering the Trust as it is entitled to do so, to the Finance and Resources Committee (FRC). This delegation means the FRC take decisions on the Council's behalf. Ultimately, the Council retains responsibility for discharge of trustee duties in an appropriate way that is in accordance with the law. The FRC does not constitute a separate entity, and the Council can at any time amend or rescind delegation.
