

59599 Armed Forces Staff Support

I would like to request the following information:

The number of staff currently recorded by the organisation as belonging to the Armed Forces Community.

This includes reservists, veterans, service leavers, cadet force adult volunteers, and staff who have identified as spouses or dependants of serving personnel.

The recorded information we hold is included on Page 2 of 12 of the Integrated Impact Assessment – Summary Report, undertaken as part of the Review of Reserve Forces' Training and Mobilisation Policy development. This is published at:

<https://www.edinburgh.gov.uk/directory-record/1764283/review-of-reserve-forces-training-and-mobilisation-policy>

The number of staff who have registered with the organisation's Armed Forces Community contact in each of the last three financial years.

There is no centrally recorded information held by our Human Resources service.

Any monitoring information, summaries or internal documents produced in the last three financial years that record uptake of Armed Forces related support within the organisation.

This includes reservist training leave, Armed Forces related flexible working, or any other support schemes aimed at the Armed Forces Community.

Please refer to the Finance and Resources Committee report – 'Reserve Forces' Training and Mobilisation Policy'. This is published on our website at:

We also undertook an Integrated Impact Assessment (IIA) as part of the policy development and this includes information on numbers recorded on our HR system. Please follow the link provided in A1 above.
