

59686 How much Lauriston Castle Trust Income has CEC retained/kept each year since 1975

How much Lauriston Castle Trust Income has CEC retained/kept each year since 1975, opposed to placing in the trust?

The Council considers that it has previously provided information under FOI response ['58648'](#), relating to access of historic financial information that might relate to the Trust from 1930 to 2010/11 in the City Archives.

The Council can disclose expenditure and income analysis for the Trust for the period of 2009/10 to 2024/25. In these analyses, the retained income offsets only a small proportion of related expenditure as shown by the 'net expenditure' line. Please note the current financial system the Council uses only goes back as far as 2005/06.
