

## 59715 Planned Road Markings

Please could you provide me with any drawings of planned road markings:

- Where A70 meets A8 Dalry Road / Haymarket
- Where A8 meets A902 - Glasgow Road / Maybury Road

You're welcome to use any time in the recent past for these road markings, although the more recent the better, please (and tell me what time you used please).

For example:

'On (date), these are the road markings plans for section Haymarket to W Coates. On (date) these are the road markings plans for Corstorphine Road to St Johns Road. On (date) these are the road markings plans for St Johns Road to Glasgow Road '.

[Please refer to the attached drawings which relate to the 'As Built General Arrangements' from the CCWEL project which altered the layout at Haymarket Terrace \(The relevant pages are 6 and 7\) and to the Glasgow Road / Maybury Road junction.](#)

Please can you provide the current allocation total from Scottish Government to allow City of Edinburgh Council to manage and maintain local roads to secure expeditious, convenient and safe movement of traffic in 2026.

[We have identified no specific funding from the Scottish Government to manage and maintain local roads to secure expeditious, convenient and safe movement of traffic.](#)
