

59735 Fly-Tipping Incidents

I would like:

The total number of fly-tipping incidents reported in 2023-24 in the City of Edinburgh Council area.

11,850 Service Requests were received in 2023-24.

A list of the top 5-10 fly-tipping hotspot locations (street names or postcodes).

Please refer to the table below in relation to Service Requests recorded under the subject of 'Dumping and Fly-Tipping'.

Current enforcement measures (CCTV, patrols) and annual budget for fly-tipping cleanup/enforcement in 2023-24.

The Street Enforcement Officers do not take enforcement action for fly-tipping specifically. Fixed Penalty Notices and reports to the Procurator Fiscal are issued or submitted as Domestic or Trade Waste offences.

The investigation and enforcement of these offences are incorporated into the wider Street Enforcement budget and therefore specific standalone figures cannot be provided.

Similarly, fly-tipping clearance is not separately budgeted for and is part of the wider street-cleaning budget. As this figure is not separately recorded, it cannot be provided as a standalone figure.
