

## 59785 Golf Courses

Please tell me the size of your local authority (e.g. in hectares).

The total surface area of the City of Edinburgh Council area is approximately 26,400 hectares (264 square kilometres or 102 square miles).

Please provide a list of all golf courses in your local authority.

For each course, please specify:

Whether it is publicly or privately owned (or falls into another ownership category).

The address

The size (e.g. in hectares)

A map of the course, if held.

Details of Council-owned golf courses are available on [Edinburgh Leisure's website](#). This provides the address and a map of each course, along with the size of the course in yards.

We are unable to provide you with the information requested for privately owned courses because it is not held by the Council.

However, this information is available through an internet search, which advises that there are 21 golf courses within the city boundary.
