

59874 Trams to Granton, BioQuarter and Beyond - Summarised Consultation Results

I note The City of Edinburgh Council's response to FOI request 59359 on 19th January 2026 that summarised results from the 'Trams to Granton, BioQuarter and Beyond' consultation are not yet available in summarised form. Can you please detail the amount of resource (WTE and grade) that the council is investing in this exercise, and the timelines that are being worked to ensure that all consultation responses are given appropriate consideration in the next phases.

A [Business Bulletin](#) to the Transport and Environment Committee of January 2026 provides an update on expected timelines for the summarised consultation results. Please note that the Council currently has various staff members analysing the 11,425 responses provided.
