Which department within the Council is/will be responsible for the re-procurement of the food supply service.

Catering Operations

Schedule of the products delivered to your organisation, including monthly/annual volumes where applicable

The chilled and frozen food framework comes under more than one Framework. These contracts facilitate 32 local authorities across Scotland under the Scotland excel framework. Individual volumes will vary per site.

Details of any specific product manufacturers/suppliers/wholesalers required to be used as part of service delivery - 2. Details of any specific product manufacturers/suppliers/wholesalers required to be used as part of service delivery

The supplier services will be required to supply & deliver food across multiple sites. Provisions will be for Primary, secondary School meals, nurseries, care homes, Commercial businesses, and cultural venues across the city. 32 local authorities in Scotland have access under the Scotland SXL framework. Products will also be required to facilitate menus aligned to the Scottish food & drinks in Schools legislation.

Frequency of deliveries, endpoint locations and details of any specific packaging/transportation requirements (cages etc.)

Average deliveries are 2/3 times a week. Contractor management allows for Adhoc drops where necessary. Larger volume deliveries are received in cages or boxes direct to the production kitchen/school.
