

59959 Adoption Status of Pillans Walk

I request the following information relating to Pillans Walk, Edinburgh:

Copies of all statutory lists of public roads and/or prospectively adoptable roads published by the City of Edinburgh Council since the development was completed, insofar as they relate to Pillans Walk.

Road adoption status is published on our website at:

<https://www.edinburgh.gov.uk/downloads/download/13183/public-roads-in-edinburgh>

Adopted roads can also be viewed on our website at:

<https://data.edinburghcouncilmaps.info/datasets/cityofedinburgh::adopted-roads-1/about>

The street record for Pillans Walk was created on 07/01/2020. At that time, the adoption description was entered as:

- PILLANS WALK

PROSPECTIVELY ADOPTABLE: From Pillans Place south-east with 3 short branches south.

Not as yet included for maintenance under the List of Public Roads.

Adoption was subsequently amended as described below in 2024.

RCC development ED/17/0022 includes a small section of Pillans Walk at the junction with Pillans Place. This section of Pillans Walk was adopted under the adoption certificate for ED/17/0002. Date of adoption is 18/04/2023. The majority of Pillans Walk was built under RCC ED/19/0002 which is still 'Prospectively Adoptable'.

This certificate was issued on 10/05/2024. Our records were updated as of 20/05/2024. On this date the adoption description for Pillans Walk was updated to:

- PILLANS WALK

Street split between PUBLIC & PROSPECTIVELY ADOPTABLE sections.

PUBLIC section: From junction with Pillans Place south-east for approximately 15 m or thereby including cycleway & parking on south side. Carriageway & adjacent footway are adopted for maintenance.

PROSPECTIVELY ADOPTABLE section: From public section south-east with 3 short branches south.

Not as yet included for maintenance under the List of Public Roads.

The publication dates of each of those versions.

The online list of public roads is published on the Council's external website on a monthly basis at or near the beginning of each month. Therefore, the original information above

would first have been published in early February 2020. The updated version would first have been published in early June 2024.

The latest published list is dated 02/02/2026.

Records showing when the adoption status of Pillans Walk last changed.

The adoption status of Pillans Walk has not changed; it has always been 'Prospectively Adopted'.

Please refer to the attached Adoption Certificate and Road Adoption Layout.

Details of any outstanding requirements, defects, or conditions that must be satisfied before Pillans Walk can be adopted.

Application is still to be made for substantial completion. Once this is done, then an inspection will be undertaken to identify any outstanding requirements, defects, or conditions that must be satisfied before Pillans Walk can be adopted.

Copies of any correspondence between the Council and the developer (Cruden Homes Ltd.) regarding road adoption for Pillans Walk within the last five years.

If any of this information is held in summary form, I am happy to receive it in that format.

There is no such correspondence held.
