

## 59994 Resilience and Emergency Planning Arrangements

When was the last time the council carried out an audit of its resilience and emergency planning arrangements to ensure that they continue to meet up to date and emerging threats particularly in situation related to a failure of, or attack on critical national infrastructure?

An Organisational Resilience Audit was conducted, with the final report on 6 October 2025. The Internal Audit report to the Governance, Risk and Best Value Committee (GRBV) was published on 6 November 2025. The full report is available on our website at:

<https://democracy.edinburgh.gov.uk/ieListDocuments.aspx?CIId=138&MIId=7668>

Please refer to 'Item 8.1 – Internal Audit: Audit Outcomes September to November 2025'

What measures are in place to keep elected members informed about resilience and emergency planning arrangements, to ensure that the council continue to meet current and emerging threats, particularly in situations related to a failure of, or attack on critical national infrastructure?

Please refer to the link above with the full audit being reported to Elected Members.

In addition, Risk reporting to the GRBV Committee on Resilience risks is published at:

<https://democracy.edinburgh.gov.uk/ieListDocuments.aspx?CIId=138&MIId=7668>

Please refer to 'Item 8.4 – Corporate Leadership Team Risk Report as at 8 October 2025'.
