

## 60008 Asbestos in Edinburgh Schools

I am requesting the following information:

The total number of schools and nurseries in Edinburgh which currently contain asbestos materials.

There are 90 properties containing asbestos – 76 Schools and 14 Nurseries.

A list of the schools and nurseries in Edinburgh which currently contain asbestos materials.

Please refer to the attached documents.

The number of schools, if any, which contain the more hazardous amphibole asbestos, such as Crocidolite asbestos.

Asbestos records are broken down as follows:

- **All Asbestos** – Properties containing any type of asbestos - 90
- **Serpentines** – Properties containing only Serpentine asbestos - 20
- **Amphiboles** – Properties containing Serpentine and Amphibole asbestos (excluding Crocidolite) - 52
- **Crocidolite** – Properties containing Serpentine and Amphibole asbestos (including Crocidolite) – 18

If applicable, a list of the schools and nurseries which contain the more hazardous amphibole asbestos, such as Crocidolite asbestos.

Please refer to the attached documents.
