

60092 Contaminated Land Enquiry - Site at the Edinburgh airport terminal

1. Are any sites within a 250m radius registered as Contaminated Land under Part IIA of the Environmental Protection Act 1990?

There is no registered Contaminated Land under Part IIA of the Environmental Protection Act 1990 within 250m of site boundaries

2. Has the site ever been inspected or prioritised for inspection under the Council's Contaminated Land Strategy?

The site is located within the boundaries of Edinburgh Airport prioritised for inspection by the Council's existing Part IIA Contaminated Land Inspection strategy. Detailed Inspection is yet to be undertaken and unlikely in the foreseeable future.

3. Do you have records of any previous site investigations undertaken within the site or within 100m radius including any remedial works that may have been required?

No site investigations are available on site or within 100m of site boundaries.

4. Are you aware of any private groundwater abstractions within a 250m radius?

There are no known groundwater abstractions within 250m of site boundaries. SEPA licence groundwater abstractions through Environmental Authorisations (Scotland) Regulations and may be contacted for potential records
